'LES FOUS' HOOKS

'Les Fous' means 'The Crazy Ones' in French. They were born from a crazy idea that turned into 4 artistic and versatile hooks.

Made from the finest walnut these hooks prove that, in the right hands, crazy can often translate into beautiful. Every package consists of 4 wall hooks with their own individual expression. Side by side they complement each other. By themselves they look insanely beautiful. Les Fous hooks can be used however you want. There are no rules. Let your imagination run wild.

*There are no rules.
Let your imagination
run wild.*

Les Fous hooks are designed by head designer Mads Thornam. *"We work with the finest materials that will only become even more beautiful over time and last generations to come. A sense of detail and craftsmanship go hand in hand in our design and production process. There are no compromises."*
