## WHAT DREAMS ARE MADE OF

BY THORNAM is a Danish design company. We make bedroom furniture that aim to recharge human batteries and make people dream big whether they are at home or in one of the many hotel rooms we are represented in worldwide.

The bedroom is a place of refuge and intimacy. It is the place where we spend the most time in our lives. Our choice of materials, whether it is leather, fabric, wood or metal is meant to help you find inner peace, nourish your sleep and restore your energy.

Simplicity, perfectionism and care of the environment are always our starting point. We work with the finest materials that will only become even more beautiful over time and last generations to come. A sense of detail and craftsmanship go hand in hand in our design- and production process.

We do not cut corners or settle for compromises. We stay true to our DNA that is influenced by the principles of our Nordic design heritage.
